

E-Cigarettes – Survey Questions

National Poll on Children's Health

Questions were answered by parents and their teens (age 13-18).

Q1. Have you ever used e-cigarettes?

1. Never
2. Once or twice
3. Occasionally but not regularly
4. Regularly in the past
5. Regularly now

Q2. Do you know other teens that have used e-cigarettes?

1. Yes
2. No

Q3. Please indicate how much you agree or disagree with the following:

	Strongly Agree	Agree	Disagree	Strongly Disagree
It's easy for people younger than 18 to buy e-cigarettes.				
E-cigarettes are safer for people to use than traditional cigarettes.				
E-cigarettes should have health warnings like cigarettes and other tobacco products do.				
Allowing teens to use e-cigarettes will encourage them to use other tobacco products.				

Q4. Please indicate whether or not you support the following:

	Support	Do not support
Restrict marketing of e-cigarettes on social networking sites like Facebook or Twitter		
Enforce laws restricting sales of e-cigarettes to people under 18		
Tax e-cigarettes like traditional cigarettes		
Restrict use of e-cigarettes in places that are smoke-free		
Require child-proof packaging for e-cigarette liquid ("e-juice")		
Ban e-cigarettes flavored like candy and fruit		

Participants were also asked demographic questions on gender, race/ethnicity, annual household income, education and insurance status.
